

# SUPPORTING PARENTS TO BUILD A LOVE OF READING AT HOME

## A practical parent workshop with Read, Play, Create

Practical strategies to help parents build children's language, confidence and a lifelong love of reading.

Led by a qualified teacher and literacy specialist.

### What The Workshop Includes:

Parent Session (15–20 minutes)

Clear, practical guidance on:

- Why early reading and language development matter
- What good reading at home actually looks like
- Simple, realistic strategies parents can use straight away

### Interactive Storytelling (Children Join)

Parents observe a live storytelling session, modelling so they can see exactly how to bring stories to life at home:

- Expression, questioning and engagement
- How to make stories come alive
- How to build conversation through books

### Parent & Child Activity

A simple, meaningful craft linked to the story to:

Encourage shared learning

Support story retelling

Build confidence and connection

### Q&A Session

Opportunity for parents to ask questions and gain tailored, practical support.

### Take-Home Pack

Each family receives:

- “5 Ways to Read Together” guide
- Story prompts and question stems
- An activity to continue learning at home

### IMPACT FOR SCHOOLS

**Strengthens home–school partnerships**

**Supports early language and oracy development**

**Promotes reading for pleasure**

**Builds parent confidence in supporting learning at home**

**READ**

**PLAY**

**CREATE**

Read, Play, Create is an early literacy initiative led by a qualified teacher and literacy specialist, supporting children's language development through storytelling, play and meaningful shared experiences.
