

# WHOLE SCHOOL READING & LANGUAGE SUPPORT

## A FLEXIBLE PACKAGE TO SUPPORT YOUR SCHOOL

Supporting schools to improve reading, language and engagement through a joined-up approach that connects classroom practice, intervention and home learning. Combining literacy expertise with engaging, story-led and sensory approaches that support all learners.

Led by a qualified teacher and literacy specialist.

### **Pupil Workshops (Story Builders)**

Engaging, story-led sessions designed to develop:

- Oracy and vocabulary
- Imagination and engagement
- Confidence in storytelling and early writing skills

### **Targeted Literacy Interventions**

Small group support tailored to:

- Close gaps in reading and language
- Support children working below expected
- Build confidence and foundational skills
- Aligned with classroom learning where possible

### **Reading & Curriculum Support**

Support for schools looking to strengthen their reading provision:

- Reading for pleasure development
- Supporting staff with practical strategies
- Ideas to improve engagement and outcomes

### **SEND & 1:1 Support**

Specialist sessions designed for children who need a different approach:

- Communication and language development
- Sensory-based, engaging learning
- Individualised support

### **Parent Engagement Workshop**

A practical workshop to support reading at home:

- Builds parent confidence
- Supports consistency between home and school reading approaches
- Includes take-home resources

## **IMPACT FOR SCHOOLS**

**Improves reading engagement and enjoyment**

**Supports early language and oracy development**

**Strengthens home–school reading habits**

**Helps close gaps in attainment**

**Provides inclusive support for a range of learners**

## **FLEXIBLE DELIVERY**
